Privacy Policy

As a general rule, this Portal does not collect Personal Information about you when you visit the site automatically. You can generally visit the portal without revealing Personal Information, unless you choose to provide such information. If UIC requests you to provide personal information, adequate security measures will be taken to protect your personal information.

Cookies

A cookie is a data file that certain web sites write to your computer's hard drive when you visit such sites. A cookie file can contain information such as a user identification code that the site uses to track the pages you have visited and may use the information commercially. We store cookies on our Portal as long as the session is active.
